## **SKANDINAVISK FORENINGS KUNSTNERHUS I ROM**

Nordic artists' residence programme in Rome  
with support from the Nordic Council of Ministers

### **SAS**

Vi har indgået en aftale med SAS, hvorved medlemmer kan indtjene "frequent flyer points" til brug for foreningen. Medlemmer skal blot meddele os deres billetnumre, hver gang de har fløjet med SAS eller andre medlemmer af Star Alliance. De vil selv indtjene deres normale points, men SAS giver foreningen ekstra points oveni. Bestyrelsen anmoder alle om at gøre brug af denne mulighed for at yde os en håndsækning!

### **SAS**

We've reached an agreement with SAS whereby members of the Circolo Scandinavo can earn "frequent flyer points" for us. All we need is the ticket number of each trip you take with SAS or a Star Alliance member. You still get your personal points so please use this possibility to give us some benefits!
